Anal Discoloration

Dear Virgin Territory,

Firstly, let me say your 18eighteen magazine of young ladies is terrific. Certainly best in class. Now, I would like to inform you of an unusual fetish that I have, and I would like to know if it is shared by Readers are other readers. I am fascinated by the colored area of skin on the periphery of a model's butthole. This area of pigmented skin (usually no larger than 1-2 inches in diameter) can vary in color from neutral to light brown to dark brown, and appears to be independent of a model's hair color, skin type or ethnicity. Is there any way of predicting this, or is it purely genetic? If there is a way to predict this, then please let me know.

I find myself looking at the opening pictures of each model and trying to guess what their "color" is. I understand that in the porn industry there is a trend for bleaching this area, but in my opinion it's best left au naturel. My personal preference is for a nice pink butthole to be surrounded by an area of dark brown

pigmentation before the normal skin color takes over.—I., Glasgow, Scotland

Dear I..

We've heard of this fetish before, and sure, there are other readers who share it.

Research indicates that it is genetic, and if there is any way to predict it, we don't know of it. There's something to be said for leaving a little to the imagination. But you don't have to wonder in the bonus photo we've provided for you; this butthole is in plain view!

More Teen Titters

Dear Virgin Territory,

I just purchased the Oct. '17 issue of 18eighteen. Pretty nice magazine and really nice to see some young girls around the 18- to 20-year-old range. Unfortunately, the girls you featured seem far less buxom than what I like. Some of these girls like Melody are so, so flat-chested that

girls develop around that age, and yes, this appeals to many people. But I have known and grew up around many teenage girls who had C-cups, D-cups and larger breasts.

I know a lot of readers may like that cheets and really small bectors.

flat chests and really small hooters, but many may prefer if at least once in a while you would please, please put some girls with C-cup and larger boobs in your magazine. I really, really like Raven Redmond and Winter Kingston because they seem to have larger breasts than the other girls in your magazine. Girls with at least Bcups like Charity, Lily and Harley are okay, and once in a while it's great to see a truly fine petite A-cup girl like Lucie. But pretty please put more girls with C-cup, D-cup and larger boobs in your magazine. At least one or two issues per year.

As for J.M. from the United Kingdom who wrote in to say that he did not like seeing male models make love to the girls, I think that sucking dick, cock-in-pussy fucking and even sucking or licking pussy are all fine. But I really hate ass fucking. Even lesbian scenes and the pure innocence of female masturbation with or without dildos is fine with me, and many readers would proba-

bly like to see more of

that. J.M. needs to get over some of his overly Puritanical hangups. Please at least show more two-girl lesbian scenes because this is the age when most girls are discovering just how much they really like other girls.

Avalon and Lily were great in their girlboy screwing scenes. You should also consider featuring more girls with

great, sexy, long legs like Charity and Avalon. I will close by saying I'm a

they appear to be AAcups. Yes, double A-cups, not A-cups as they claim. I realize that there are quite a few variables in how virgin in that sense that I have never seen or bought your magazine before, but I like it. Thanks for taking your time to read this and hope you like the suggestions.—T.N., Donora, Pennsylvania

Dear T.N.,

We certainly won't turn a girl down just because she's busty. And yes, it's true that many of our readers like flatchested girls. But it also happens to be that we don't get many larger-chested girls who come our way for whatever reason. If you are looking for busty girls, we recommend Mila from Feb. '18, Skye from Oct. '15 and Cece from April '16.

A Dirty French Kiss with Li

Dear Virgin Territory,

I never thought that brown and pink would ever become my favorite colors. But this hot, gorgeous and sexy little angel Li from Washington, D.C. has changed all of that. She's a young lady who I would call a perfect 10 with her perfect body from head to toes.

She starts out with her beautiful, long, dark-brown hair, those gorgeous brown eyes of hers, her cute, little nose and great looking ears that I'd like to nibble on all day long. She has luscious, pink lips I'd love to kiss and suck on forever. I love that second photo of her with her magnificent looking tits hanging down when

she's in doggie-style position. I'd love to be under her in that position, sucking her nipples while she's grinding down on my cock with her her hot pink outfit and her sexy pink panties still on. She looks just as hot with her clothes on as she does when she is completely naked.

I really like her fantastic melons with the big, pink areolae and pink nipples. And now for her mouthwatering, brown pussy lips, the juicy, pink insides and her delicious looking butthole. I would love to suck her brown pussy lips until her pink pussy gushes her love juices down to her dark-brown butthole. Then I'd finger-fuck her ass with her pussy juice on my fingers until she orgasms. Or, if she prefers, I could slip my cock into her pussy to lube it up and then slowly slip my cock deep into her butthole until she orgasms again all over my cock. Then she could suck my cock clean until I orgasm in her mouth. Then we could French kiss forever.

Li has made me very horny with her perfect body. I think Li would be a great gal to do a lezzie photo layout with. Or do a three-way of love. She has a lot to offer a woman or man.–K.C., Anamoose, North Dakota

Dear K.C.,

Li does have a lot to offer! She's new to anal play but appreciates your sentiments all the same. Here's a bonus photo

Blaire's Best in Class

Dear Virgin Territory,

I must say that Blaire's hardcore layout in the Feb. '18 was exceptional. You started off strong with that photo of her looking up wide-eyed into the camera while sucking balls, and you stayed hot throughout the entire layout. I appreciate that just about every photo was of Blaire in a different position. And not only that,

but we could very clearly see the insertion of that giant cock into her teen pussy. The photo of her standing on page 49 was a nice touch as well. That's one of the advantages of fucking a tall girl like her—she can stand up and get fucked with ease. There are so many great photos of her in this layout, I don't think I could pick a favorite one. And the closing photo of her with a facial is classic. Great job, truly one of your best photo sets ever.—P.I., via email

Dear P.I.,

Thanks. We agree that was a great layout. The video version is just as good. You can check it out in The School of Hard Cocks 2.

bate with toys, but I loved seeing that butt plug in her ass. That's not something you see too often in your magazine, and I hope it's a preview of what's to come! Other than that, I'm in love with her little titties and her pretty green eyes. Hannah's pussy lips are nice and meaty but her slit is little and tight. It's the perfect sleeve to squeeze a cock! I can only imagine how nice it must feel. I hope to see Hannah again soon so I can keep jacking to her. My balls are bottomless when it cums to her!-F.D., Holland, Michigan

Dear F.D.,

"Cum on My Braces!"

Dear Virgin Territory,

I really enjoy the girls with braces that you feature, especially when they do hardcore and the guy cums on their braces. Karly from the Feb. '18 is a perfect example. Her cum shot at the end was spectacular. I also like her because she is adorable and sexy at the same time. She looks sweet and innocent, and that's what makes her so sexy. Her puffy pussy lips and puffy nipples are very

arousing and unique. And I like the combination of her light eyes and dark hair. Please bring her and more braceface cuties back for oral cum shots!-T.B., Marshalltown, Iowa

Dear T.B.,

We are actually considering putting together a movie about cumming on braces. Stay tuned! In the meantime, you can check out Karly's XXX video in After School Slut Club 5.

Lily looks more innocent than she actually is.

Lily is an adorable girl-next-door who likes to go hiking, kayaking and camping. She's wholesome and fresh-faced, yet somehow she ended up in our studio getting naked and sucking and fucking random guys. But the fact that she doesn't seem like the type to have sex on-camera makes it all the hotter when she does.

What do you like about being watched?

"I like the idea of a guy getting turned on by looking at my body. I think it all comes down to wanting to feel wanted. Everyone wants to feel like someone wants them. So it could be me having sex, or me playing with myself or even just changing. If someone likes watching me in anyway, it turns me on. I'm all for feminism and stuff, but honestly, I kind of like to be objectified sometimes. I want to be seen as a sexual object, just for a little bit."

Are people ever surprised to learn that you have a naughty side?

"Yes, all the time. They think I'm so innocent because of the way I look and because I'm pretty nice, too. Then something might slip. I might say something about having sex and they'll seem shocked that I'm not a virgin. I do like some wholesome things, like nature and baking cookies. I just happen to also like to have sex with guys with big dicks-and doing it on-camera! I think you can be wholesome and slutty at the same time. That's actually how I would describe myself."

Spring break in Cozumel. Andrea and her friend Jan had saved up for a year to go on this trip. The hotel they were staying at? Wasn't anything special. No band, no comedy club, no casino. But when Andrea and a guy she'd hooked up with at the tiki bar needed someplace to get a little crazy? They learned the resort had no objection to a...

Andrea was stoked. She was also glad the cover-up she'd been wearing down at the beach was still damp, so Rick didn't see it sticking to her thighs. They were still wet, even though she hadn't been in the water for over an hour. No, that wetness was solely due to Rick, the guy she'd hooked up with at the resort's tiki bar. She'd been sipping on a diet soda and waiting for her friend Janine to come downstairs so they could go to dinner. But Andrea had gotten tired of swimming and had retreated to the shade. Rick had come right over, Corona in hand, sporting an Iowa State t-shirt that fit him all kinds of nice.

They hit it off, then spent twenty minutes checking each other out under the guise of small talk before Rick asked her about her plans for the evening. Even though it was Cozumel and they were both speaking English, Andrea was pretty sure that, "So, what are you doing tonight?" translated to, "So, how do you feel about me doing you tonight?" Couldn't be absolutely sure...but she was sure enough.

Dinner, though. There was still the issue of dinner, and Janine. Or was there? She watched Rick down the last of his Corona, pictured pouring a bottle down her belly, through her twat lips and letting it drip down into his mouth, straddling his face like girls did at frat parties. Well, that's what she'd heard, at least. She'd never been to a frat party, but hoped that when she started college in the fall, she'd be invited to some. She decided she should practice. Being able to pour beer through one's pussy lips into a guy's mouth seemed like a valuable skill to have.

"I'm supposed to be going to dinner with a friend," she explained, trying to figure out a way to blow Janine off. Janine was forty minutes late now. Heck, for all Andrea knew, Janny had hooked up and was riding some guy's dick right now up in the room. She saw disappointment flash across Rick's face.

"Oh, a friend?" he asked. Translation: "You mean, you already have plans for another guy to bang your brains out later?" Andrea

regrouped quickly.

"Janine, the girl I came down here with," she clarified. "She's my best friend." Translation: "We're not lesbians." Although, it struck Andrea that if Janny was still flying solo and she wound up back in the room with Rick, she wouldn't mind it if Janny wanted to share. Hmnnn. Would she go for something like that? They'd been talking for weeks about all the dick they were going to get without their parents around and it being Spring Break and all. Well, here it was, seven hours in, and Andrea's pussy was dripping, the cover-up was soaking up her love lube, and if she didn't get laidand soon-she was going to stick a hand into her bikini bottom and start fingering herself. Did the resort have any rules against that, she wondered? She'd seen the sign behind the hotel room door about being charged triple for stealing towels, but couldn't recall anything about guests who finger-fuck themselves in the hotel bars being removed. Hmph. Better to play it safe. There wasn't another vacancy for miles. Rick's room would do for a night, she guessed, but...

The room. Why hadn't she thought of that already?

"C'mon. Why don't we check my

room upstairs?"

She slid off the barstool, letting her ass drag across Rick's crotch. His fingertips took advantage, hiking up her cover-up as she brushed by. She slapped at his hand playfully, not even bothering to make contact.

The cover-up had been a good buy. Tres sexy, buttoning over her right shoulder and showing off what little boobs she had. Mini skirt cut, showing off plenty of leg. Rick had

noticed, and wasn't doing anything to hide the fact.

He threw a couple of bucks on the bar and they crossed the sand to the elevators, where Andrea hit floor 11, hoping no one else wanted to go back to their room. She waited for the elevator doors to close. Three... two...one...

The car rose, and Rick was on her, pressing her back to the wall and jamming his tongue down her throat. He pulled up her cover-up, grinding against her pussy. God damn she was hot! She wanted this guy, wanted him bad. Didn't matter that he was a total stranger she'd just met. She needed him balls deep in her sopping twat ASAP.

Ding! The bell chimed. Rick pulled away, but Andrea was having none

in between her cunny lips.

of it. She grabbed him by the belt loops of his cargo shorts and yanked him back against her hard, feeling the outline of his cock hit her just right. He laughed, resuming their passionate tongue-duel. The doors opened. No one was there.

Too bad, she thought, thinking that it would be hysterical if some couple had been waiting there for the car, like, her mom and dad's age, and been shocked seeing her and Rick going at it right there in front of them. That would've been wild. Just the thought of it got her all tingly downstairs. Oh, concierge? Can you bring me a fresh pair of panties? These seem to have gotten completely soaked with pussy juice. Yes, the hallway right outside the elevator, I'm not gonna make it to my room before the last dry spot's gone....

"Your roomie still going to be here?" Rick asked as they stood outside the door. Andrea shrugged, then knocked, turning quickly to run her teeth over Rick's earlobe. The door opened, security chain in place. Janny was half dressed, no top on, just a bra.

"What the hell?" she asked, looking surprised.

"I was, uh, kinda hoping I could use the room," Andrea said, giving Janny a wink.

"What are you talking about? For what? We're supposed to be going to dinner soon."

"You're like, an hour late, Jan!" Jan checked her phone. Shook her head and rolled her eyes.

"The time change. It's only 8:30, Andrea. I told you to change your watch when we landed!"

Whoops. Andrea could tell Janine was upset. Couldn't really blame her. Since Rick was behind her, out of view, she gestured with her eyes. Rick's hand was around her hip now, too. Jan's mouth dropped open.

"So, since there's time, can we use the room for a little while?" she

asked, mouthing, "I wanna fuck!"

"No way!" she
hissed, pulling her shirt
across her tits. Andrea
couldn't understand why.
Janny had spectacular
boobs. "What am I supposed to do?"

Andrea leaned in close to Janine and whispered.

"No one's kicking you out, Jan. If you wanna stay..."

"First you're going to blow me off for dinner and now you want me to hang out here and watch you get laid? Sorry, no thanks!" Jan said, and shut the door. Damn, she thought. That hadn't gone well at all.

"She mad at you for bailing on dinner?" he asked, hands still all over her. Andrea nodded.

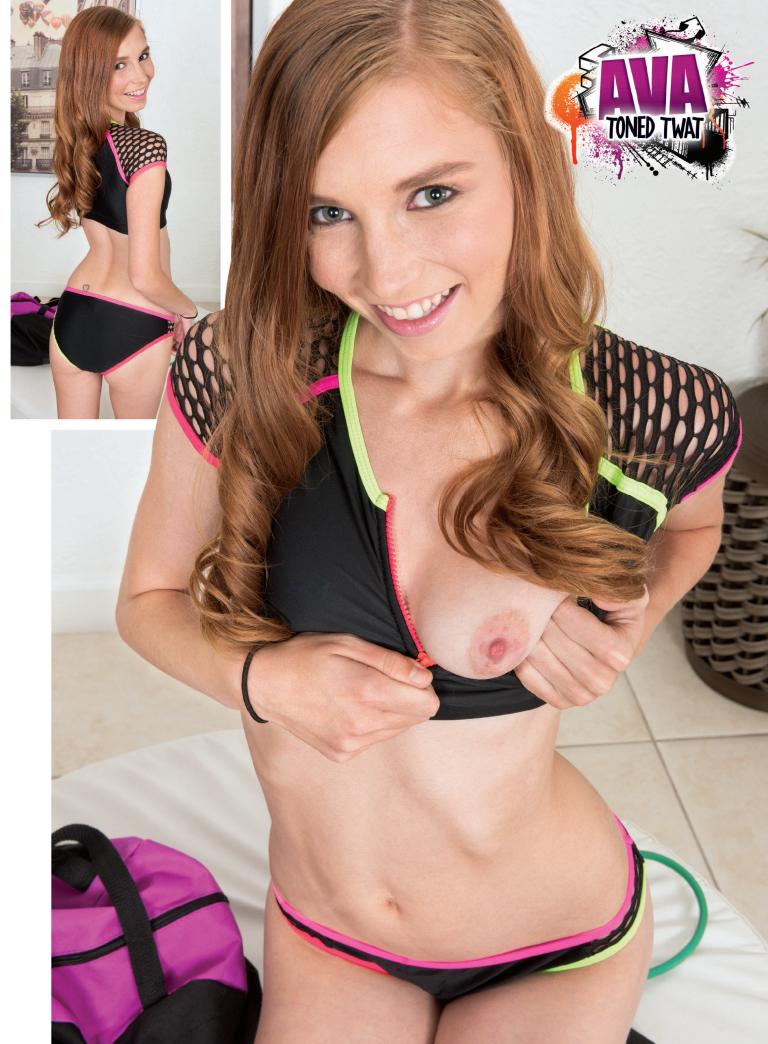

"What about your room?" she asked, hornier than ever but starting to get frustrated.

"Ugh," he groaned. "We've got like six guys in a double. I dunno."

Andrea could only imagine the place. Considered it, let Rick fondle her ass while she Frenched him again, but decided against it. Frat party? That was one thing. Six guys in a room the size of the one she and Jan were sharing? Uh, no. Place probably smelled like a jock strap.

They came up for air, Rick's insistent hard-on nestled in between her cunny lips. She took his hand and brought him down the hall, to the alcove where the vending machines

If there's one thing to know about Mae, it's that she's flexible.

We don't mean that she can do splits or put her feet behind her head. What we mean is that her fuck tunnels are flexible. Her tiny pussy and asshole can stretch to fit in big cocks. And then after being filled and drilled, they shrink back to their pre-fuck tightness. "During sex I'll loosen up enough to take the dick, but just barely. Guys always tell me how tight my pussy is."

This was Mae's first time having butt sex!

And she handled it like a champ. "I didn't even use a toy in my butt beforehand. I just wanted that cock in my ass so bad that I didn't have too much trouble taking it in. I mean, it took some time to squeeze it in my ass, but I was really horny and turned on, so I enjoyed the whole process. That's the key to anal, I think. You have to be really horny and relaxed. It helped that I came twice from my pussy first."

were. Two young kids were arguing over what kind of M&Ms to get. Andrea was thinking of waiting them out, until a door opened and their mom came out. "Come on, you two, it's almost bedtime." The kids ignored her, and went on arguing, dollar bills in hand. The woman sized up Andrea and Rick, unable to hide her smirk. Andrea led Rick away, walking around to the far elevators.

"What now?" he asked, breathing heavy in her ear. He was ready to get it on, too, for sure. Unfortunately, their options were running out. Should she go back to the room and get a blanket? At least then they could find a spot on the beach somewhere and get down to business. She wanted out of the cover-up and out of her bikini and in with Rick's cock. But where to go?

The elevator arrived. Andrea went to step in, but the bellhop exited first, pushing a cart for a guest checking in late. Not a bad looking guy, the bellhop. Andrea had noticed him when they'd arrived earlier. He smiled as he passed them by.

Which was when Andrea got a crazy idea.

"Come on!" she said, pulling Rick into the elevator and hitting the LOBBY button. Even before the doors closed, she had her hands on his swollen junk, pulling aside the coverup to let him suck her tit. Ooh...she wondered if the elevator had security cameras. She gazed into the corner where she assumed it might be located, and winked.

By the time they hit the ground floor, her right nip was throbbing and standing at attention. She pulled her bikini top back in place just as the elevator doors opened and guided Rick to the little lounge off the check-in area. As it had been that morning, it was empty. Perfect.

"Well?" she said, patting the arm of

"Well what?" he asked, not understanding what she meant.

"Well..." she purred. "Take it out!" "Huh? Right ĥere?"

Andrea unbuttoned the cover-up, which fell from her shoulder and dropped to the floor. With one tug, the bikini top joined it. She turned, wig-

gling her ass, bending over the arm of the couch.

"Give a girl a hand, would you? Don't mind how wet they are."

Rick gulped. Looked around. Decided it was spring break, so fuck it, and yanked down Andrea's bikini bottoms, leaving her totally naked.

"Hurry up!" she pleaded, spreading her feet and bouncing on her toes, giving Rick an unobstructed view of her puckered brown eye and her dripping slit. "I could really use some cock right about now!"

Rick whipped it out. Andrea cooed. He had a nice sized rod, and the prejizz leaking out of his tip told her he was set to rock.

"Ready to fuck me, Rick?" she asked, grabbing hold of the cushions. "Ready to jam that big thing into m-"

She didn't finish. Couldn't. Rick plowed into her just as she'd been imagining. Balls-deep, the whole length of him in one savage thrust. It drove the wind out of her, his hands latching onto her hips and positioning her for all the nasty she could handle.

Andrea had been desperate to get laid, but she hadn't quite been prepared for this. Still, she managed to get a hand between her legs, grabbing Rick's heavy balls the next time he slammed his dick into her. His grunt told her that he liked it, and she worked his sac while he nailed her doggie-style, gyrating her hips, taking every inch of him.

"Oh yeah, Rick. Do it. Fuck me good. I wanna cum all over that big cock of yours."

He dug his fingers into her supple ass cheeks, shirt still on, his cargo shorts balled around his ankles. Her thighs were already sloppy with drippage, but they were downright plastered with girl goo when he rammed it home, which brought her to her first climax of the night.

She buried her head in the pillow, though she was pretty sure it didn't blunt the howling any. She came, hard, her snatch muscles clamping down around Rick's big bone like a clenched fist. Months, she thought. She hadn't cum this hard in months.

Judging by his grip on her hips, he didn't have intentions of slowing down any, either. Andrea was preparing for her next cum-pillow firmly tucked between her elbows-when his thumb found her ass crack. Then

something else. She yelped, the surprise orgasm hitting her like a freight train. This time, she didn't just bury her face in the cushion, she bit down on it like an old West doc was prying a bullet out of her.

Rick's thumb up her ass was totally unexpected. Andrea, not a virgin to very many things, was a newcomer to ass play, however, and Rick probing her back door while pumping her full of cock made her swoon.

Then she heard a squeak. It took a second for her to realize it wasn't her, or the couch scooting. Wheels. It sounded like wheels.

Shakily, she lifted her head. Rick took advantage and grabbed hold of her hair, while still fingering her asshole. She bit her lip, another cum hurtling at her fast.

Then she saw it. The bellhop's cart, coming into view. Her nips swelled up even more.

Come on, big guy, she prayed. Take a look. Don't just walk by. Stick around and watch me cum...

But no, it wasn't meant to be. She thought the cart slowed for a second, but then it was gone, the doorway

once again empty.

"You wanna suck it?"

Rick's voice, sounding like it was coming from miles away. Andrea drew a ragged breath. Came again. Hoped she didn't cause Rick to blow his wad inside her. She figured, he must be on the verge of cumming, right? And, cumming in her mouth would be a good way to finish, wouldn't it? Hell, she sure thought so.

She rolled over, the feeling of Rick's finger in her butt still present. When she got home, maybe she'd get a little back door toy for herself, something specifically for that. She'd never used a toy back there before, but after the

orgasms Rick had generated fingering her butthole, that seemed like a really worthwhile investment.

Rick's cock slapped her in the face as she turned, sitting on the couch, smelling her scent on his package.

"You want it like this," she asked. "Or you want me on my knees?"

He smiled and pointed. She knew he would. His hands were on the back of her head as he fucked her mouth, his big prick going all the way to the back of her throat.

"Yeah. Aww, yeah, Ange. That's it, suck my dick."

She pulled him out, drooled all over the tip, jacking him fast with both hands. Spittle flew. On the carpet. On his belly. On the couch. On her face. She giggled as she went back down on him, his fuckstick making her cheek bulge.

"You want me to swallow it, don't you?" she mumbled, face crammed with cock. Rick thrust deeper, nearly making her gag.

"We'll see," he murmured, looking past her. She wondered if someone was there. Maybe a couple coming back from one of the night spots on the boulevard. Fifties maybe, or sixties. Yeah, a pair of sixty-somethings, gaping at them while she deep-throated her Iowa State fuck toy. It sent thrills of excitement up her spine. She loved the idea of people watching. Complete strangers, staring at her tits and ass and Rick's huge dick in her mouth, the dribble running down her

chin as she tried to make him jizz. She'd never see them again, so who cared? She'd never see Rick again, either, but didn't regret it. This was spring break. Real life fantasy world. She wanted to get drilled in every way possible down here with guys she'd never see again. Not some guy from the neighborhood who, if it didn't work out, she'd be stuck bumping into all the way until college started in September. Definitely not cool. No, this was pussy paradise. Different guys, no strings attached. Just sex. Raw, hot, dirty sex.

Andrea kneaded Rick's balls, wondering what it was going to taste like when he creamed down her throat. Would he pull it out maybe? Spooge on her face? Boy wouldn't that make anyone watching go wide-eyed.

Rick jackhammered her slot, his grunts and the squelching coming from her sopping twat overpowering the Muzak system.

Andrea, only 18 and bare-ass naked on the lobby couch, face spattered with semen? She squeezed her legs together. Let go of Rick's shaft and plunged a finger into her gash. Then a second, frigging her clit furiously while she gave him head.

"You ready to cum some more?" he asked, giving her hair a little tug to get her to look up at him. She freed him from her warm mouth, a thick string dangling off his cockhead all the way back to her bottom lip. "I can go a little longer," she confirmed. "How about you?"

She flicked her tongue across his pisshole, making him shudder.

"I'm good," he told her. Boy, was that an understatement!

He rolled her onto her back, throwing one leg up over the top of the couch and pulling the other one around his hip. Even on his knees, the tip of his dick reached her slick pussy folds. She pulled her slick, smooth lips apart for him, her puffy clit dark with excitement.

He slammed into her, his full weight pinning her to the couch. She threw her arms around his neck, digging her teeth into his shoulder.

"Ungh...ungh...ungh...ungh..."

Rick jackhammered her slot, his grunts and the squelching coming from her sopping twat overpowering the Muzak system.

"Oh-h-h-h!" Andrea cried, the waves of pleasure rolling over her harder than the incoming tide had on the beach. "Do it harder! Pound me, Ricky, fucking pound me! Y-Y-Ye—"

She raked her nails down his back. They were nothing special, not the way some girls at school got them done, professionally, with all sorts of cool designs at the salon. Hers...were just hers. A little polish, a little clear coat. Girlie-girl, Jan called them. Oh well, she thought. Maybe for her first week at college.

Rick pounded her alright–pounded her right over the edge. Andrea threw her head back, biting her fist so hard

she thought she might draw blood. Her climax-shriek died to a croak as she saw the lounge doorway. Saw it was no longer empty. Saw the hunky bellhop standing there, gawking at her, a hand jammed down the front of his uniform pants.

"YESSSSS!" No holding back now. Not with the bellhop jacking off and Rick turning her pussy to mush.

"Hang on," Rick said, his voice rough. The look on his face unmistakable. "I'm getting ready to shoot."

"Hold on!" she pleaded, pressing her hands against his shoulders to hold him back. "J-just...a f-few...seconds...more."

He grinned down at her, gritting his teeth and concentrating. Andrea pointed to the doorway.

"You! Get over here! Now!"

The bellhop looked uncomfortable. But, with no one else around...he stumbled on over, his hard-on clearly making it difficult.

Andrea fumbled with his zipper, happy to see that Jeremy–now she could see his name tag–was going commando today.

"You know what I want," she said, trying to hold out. Another cum was rapidly approaching and she was desperate to time it just right.

"This?" he asked, tea-bagging her, filling her mouth with his balls. Not quite what she wanted, but it was too fucking hot to complain. She sucked his nuts, stroking his shaft, feeling the hardness between her lips. Both sets.

"Andrea..."

She arched her back to meet Rick's final thrust, shockwaves flowing outward from her clit.

"Fuck my mouth, Jeremy!" she demanded, pulling him to the side. "I wanna swallow your load."

Jeremy drove into her mouth at the same time Rick pulled out of her pussy, her hand finding his shaft and jacking a stream of white hot ball butter across her tits. Watching her get the cum bath was more than enough incentive for Jeremy, who unloaded, filling her mouth with semen. She guzzled it greedily, sucking him until his balls ran dry.

Jeremy looked at Rick, who was leaning on the back of the couch, spent. He extended his hand. They high fived over Andrea's cum spattered midriff.

Andrea was getting out of the shower when Janine came back to the room.

"Hey!" she said, looking tentative.

"Hi. Listen, I'm sorry I blew you off for dinner. That wasn't right."

Janine waved her off.

"No biggie. But…listen. I, uh, kinda hooked up with this guy at the restaurant, and..."

"You wanna use the room? No sweat. I'll clear out."

"No!" she hissed, trying to stay quiet. "You don't understand. He was down there with a friend of his. They go to LSU. I was wondering, you know...if you wanna hang out. So... there's not just two of them and one of me! I don't think I could handle that."

Andrea had a flashback to the lobby lounge. It was actually a good thing that Janine had denied her access to their hotel room. Otherwise, she wouldn't have gotten to experience her first three-way. And now? Janine was leading the way for her second group sex experience.

Could she go for another round? She'd washed the jizz off her body, wasn't feeling tired at all. Her pussy was still tingly, too. So she pulled on her bra, and winked at her best friend. Janine opened the door. Two guys stood there, tall, athletic looking. Baseball players, Andrea guessed. Which was good.

Baseball players knew all about playing hardball.
